

AFC REGISTRATION REFUND POLICY

This policy supersedes all other refund policy references or statements published.

COMPETITIVE PROGRAM

The competitive program has a stringent refund policy because a player's acceptance has the effect of denying another player an opportunity to play on a competitive team. Additionally, costs accrue to the Club for services provided to the team based on player headcount. Accordingly, fees are not refundable and not transferable. Fees for participation in the club cover the entire soccer year. A player who accepts an invitation to play with the Club commits to pay the entire fee for the full soccer year. No refunds, partial or full, will be made to players who choose not to participate at any point after registration for any reason, including players suspended from the program. The only exceptions are (1) In the event that a player has a season ending injury, the board may consider a partial refund after review of records provided by the treating physician or facility and (2) For families that move during the season. If either (1) or (2) occur, parents must notify their player's coach and the AFC Registrar within 30 days. The board may consider a partial refund in these circumstances on a case by case basis.

CAMPS AND ALL OTHER PROGRAMS

Fees are not refundable and not transferable. Your registration is a commitment to participate.

MEDICAL AND RELOCATION REFUND REQUESTS

In the event that a player is injured during the season and cannot play or practice for the remainder of the season, the Board may consider providing a partial refund. Families must submit a written request with a physician note to the registrar.

In the event that a family relocates out of the area during the season the Board may consider a partial refund on a case-by-case basis. Families must submit a written request to the registrar.

Please note that refundable amounts are time-sensitive as costs accrue to the Club for services provided to the team based on player headcount each month. Consequently, the refundable amount will be affected by the date you request the refund, not the date of the event.
